### Summary of reasons for decision:

This is a short clip of a pubescent girl being sexually abused by a man. It is intended for adult sexual arousal and gratification. It is deemed to be objectionable under s3(2)(a) of the Films, Videos, and Publications Classification Act 1993 (FVPC Act) because it promotes and supports the exploitation of children for sexual purposes. This classification limits the right to freedom of expression set out in the New Zealand Bill of Rights Act, but this is consistent with Parliament's intention that publication falling under s3(2)(a) of the FVPC Act be classified objectionable. The classification is also a reasonable limit on that right in the interest of protecting children from abuse and exploitation.
